Additional Information:

A – Rights of the data subject

- The data subject may exercise before the controller with respect to the personal data concerning him/her and upon verification of the legal conditions, the following rights:
  - Right of access,**
  - Right to rectification,**
  - Right to erasure (right to be forgotten),**
  - Right to the restriction of processing,**
  - Right to object,**
  - Right to portability.**
- The data subject also has **the right to lodge a complaint with a supervisory authority**. The supervisory authority in Portugal is the Comissão Nacional de Proteção de Dados (CNPd), with registered office at Av. D. Carlos I, 134 - 1.º, 1200-651 Lisboa; e-mail: [geral@cnpd.pt](mailto:geral@cnpd.pt)

B – Provision of personal data: The provision of personal data in this context is a statutory requirement, because the law on private security requires shopping centres to have a CCTV system and the collection of images by the CCTV system implies the collection of personal data of any person passing an area covered by the CCTV cameras.
